

ADULT ANTI-ACNE SYSTEM

CLINICAL REGIMEN TO FIGHT ACNE
AND AGING

FEATURES
BLEMISH + AGE DEFENSE

CLINICALLY-PROVEN
TREATMENT FOR AGING SKIN
PRONE TO BREAKOUTS

ADULT ANTI-ACNE SYSTEM

This clinical regimen is proven to correct the signs of damage resulting from blemishes and aging, including enlarged pores, rough texture, and fine lines.

The combination of these products prevents the formation of acne, minimizes hyperpigmentation, and improves fine lines and wrinkles through 3 modes of action:

LHA CLEANSING GEL

Potent cleanser with LHA, glycolic acid, and salicylic acid unclogs pores, smoothes irregularities, and brightens skin.

LHA SOLUTION

Exfoliating low pH toner efficiently removes excess residue and surface cells to decongest pores.

BLEMISH + AGE DEFENSE

Targeted, oil-free serum prevents the formation of acne, minimizes hyperpigmentation, and reduces the appearance of fine lines and wrinkles.

Proven as effective as BenzaClin®, the leading prescription drug for acne

Clinical Results

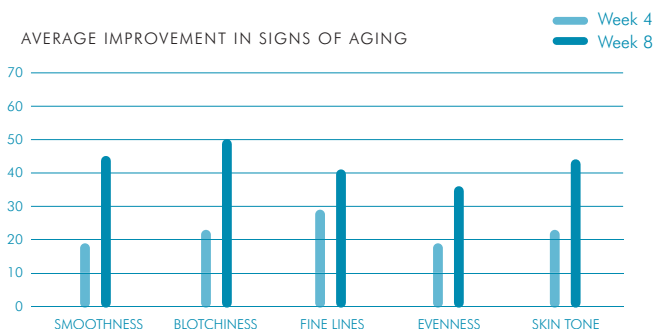

- Reduction of blemishes and evened skin tone

- Reduced papules, smoothed texture, reduced post-inflammatory hyperpigmentation

Reduced sebum by **39%**
and improved fine lines
by **28%** after just 1 week

In a dermatologist-controlled clinical study of 50 males and females ages 25-50, daily compliance of the Adult Anti-Acne System resulted in sebum reduction and improvement in fine lines, smoothness, blotchiness, evenness and skin tone.

AM AND PM REGIMEN

1. CLEANSE (EXFOLIATE)

Gently massage a small amount of **LHA Cleansing Gel** into a wet face and neck. Avoid contact with eyes. Rinse thoroughly with water.

2. TONE (EXFOLIATE)

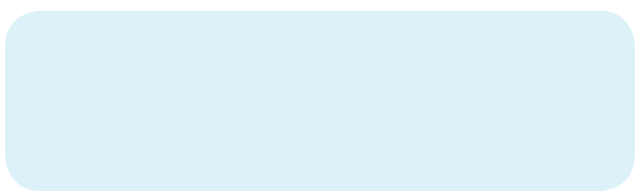

Spray a small amount of **LHA Solution** onto a cotton ball and smooth over face, neck, and chest.

3. CORRECT (BRIGHTEN)

Apply 4-5 drops of **Blemish + Age Defense** to the entire affected area, leaving a thin layer on the face.

Due to the potency of this regimen, slight tingling or heat sensations may occur until skin acclimates. If discomfort persists, reduce steps or reduce usage to once a day and moisturize as needed. Consult your skincare professional to adapt your regimen.

NOTE: SkinCeuticals considers daily use of an effective antioxidant serum and broad-spectrum sunscreen essential to achieving and maintaining healthy skin.

Consult your skincare professional to learn how to supplement and customize your regimen.
